

many thanks for your letter
and the copy of the letter you
sent to Commander Neil Armstrong,
which I ~~of~~ received when I returned
from holiday.

I was thrilled to ^{learn this week, from the} ~~see in the~~ ~~the~~ ~~old~~
^{newspaper} ~~newspaper~~ that you have had a reply
and that Neil Armstrong will be pleased
to visit Chaghal sometime in the future.
We hope and pray for the success
of the mission to the moon.

I am sure that the pleasant tone and
wording of your letter, ~~along with the~~
~~signature of~~ and signed by a Yous
black of the same clan, appealed to
him.
